- ◆ Updates from the Superintendent, the Board of Education, School Principals, District Business Manager, Community School Mgr and Dir of Curriculum

WHAT IS THE GLEN ROCK FEDERATED HSA?

The Federated HSA is a volunteer-led umbrella organization of all of the Glen Rock school's Home and School Associations (HSAs). Federated holds 4 meetings per year which are an excellent, informal opportunity to meet with leadership from the GR school district and all of the schools. It implements important informational tools for GR school families, such as the district-wide online school directory and the integrated HSA calendar.

For more information, go to GRFederatedHSA.org
