

# Transition to 9th Grade Survey

This year we will be working with you to help you transition into High School with ease and we would like to personalize the experience for you as best we can. Please answer the following questions as honestly as possible. All answers/results are anonymous. Thank you for your feedback!

Is there anything about starting High School that makes you nervous or anxious? (Check as many boxes as apply!)

- getting lost in school / not being able to find my classes, particularly at the beginning.
- not knowing where different things are in the school (i.e. Main Office, Guidance Office) or who can help me besides my teachers.
- I worried I won't fit in.
- the classes being too hard for me.
- having too much work / homework.
- not knowing how to organize myself to be successful in school.
- having to make new friends.
- being in the building with older (high school) students.
- that I won't be prepared to take Midterm and/or Final Exams in my classes.
- I'm worried social issues I've had with classmates will continue into High School.
